The Dead Ships

Lyrics from <http://thedeadships.bandcamp.com/track/you-were-young-2>

A F#m D A E

A **F#m**
You were young when you laid your head
D **A E**
in the grass where you now still reside
A **F#m**
caught your leg on a beaten path
D **A E**
now you re trapped for the rest of your life

A F#m D A E

Oh-oh-oh...

A **F#m**
You were young when you laid your head
D **A E**
in the trap where you now still reside
A **F#m**
now your thoughts run around your head
D **A E**
like a tornado trapped in the sky

A F#m D A E

Oh-oh-oh...

Maintain

Bm **E**

one finds one way

A **F#m**
But you were young when you first saw god
D **A E**
staring down at you from a cross
A **F#m**
bowed your head like a good lamb should
D **A E**
where you wait to collect on the cost

A F#m D A E

Oh-oh-oh...

A **F#m**
You were young when you made your pact
D **A E**
with the first devil you came across
A **F#m**
built yourself on to broken legs
D **A E**
now you wait as the prey for the fox

A F#m D A E
Oh-oh-oh...

Bm F#m
Souls say
Bm F#m
with age
Bm E
one finds ones way

A **F#m**
but you were young when you laid your head
A **F#m**
now wont stop until you re dead
(repeat)

A **F#m**
You were young when you realized
D **A E**
lifes a trap for the sand on the beach
A **F#m**
all the things that a good man wants
D **A E**
are set just beyond his reach

A F#m D A E
Oh-oh-oh...
