

Let Go
The Dear Hunter

Cm **Bb** **F**
Sleepless nights start an inner war
Ab **Eb** **Fm** **Cm**
When the worst of me simply can't concede
(**Cm**) **Bb** **F**
That I am stuck in superstition
Ab **Eb** **Cm** **C**
Cause the things I've known never turn out so

Bb **Gm** **Fm**
I'll try and let go
Eb **Cm**
Of all of the wicked things, the haunting melody
Bb **Gm** **Fm**
A song of spirits passed on
Eb **Cm** **Fm** **Bb** **Ab**
The notes of a strained refrain, that never seems to find its way

Cm
So I'll give in
F **Ab** **Cm** **F**
and live life the way that I have always been
B **C** **Bb**
The ghosts still wailing at the door
F **Bb** **Cm**
begging to be let in

Bb **Gm** **Fm**
I'll try and let go
Eb **Cm**
Of all of the wicked things, the haunting melody
Bb **Gm** **Fm**
A song of spirits passed on
Eb **Cm** **Fm** **Bb**
The notes of a strained refrain, that never seems to find its way

Cm **Bb** **Fm** **B** **Ab** **Eb** **Gm** **C** **Ab** **Fm** **Bb** **C** **Ab**
Bb

Cm **F**
Something says that I will be alright
Eb **Cm** **Eb** **F** **C**
If the best in me won't admit defeat
