Misplaced Devotion The Dear Hunter

Misplaced Devotion by The Dear Hunter

The Color Spectrum - Yellow EP

This is played with a capo on the 2nd fret. If you don t think these chords are quite

right, feel free to correct them in the comment box :) Otherwise, enjoy.

The instrumental breaks in the song are pretty similar to the verses.

Which is usually D for 6 beats, then Dsus2 for 2 beats.. If that helps. If that doesn t,

then just playing along with the song should help you get the feel for it.
