

Saved
The Dear Hunter

C
Amongst the stone and smoke
G
We never laid before
F **Dm**
Images floating all about
Am
Life in the afterglow

C
My decaying mind pretends
G
None of this ever happened
F **Dm**
We either learn to live a lie
Bb **G**
Or we re waiting here to die

C **E(#5)** **C** **Fsus2/E**
And after all this suffering
F **Fm**
I could lie here for good
Bb **G**
With a mind on fire
Am **G** **F**
I try and stand my ground

Dm **G**
Illuminate and I will follow...

C
Amongst the stone and smoke
G
Rising above it all
F **Dm**
Broken but not beyond repair
Bb **G**
See how this soul fairs

C **E(#5)** **C** **Fsus2/E**
From after all this suffering
F **Fm**
I could lie here for good
Bb **G**
But with a mind on fire
Am **G** **F**
I try and stand my ground
