Em

Calm down, you wont gain any ground, if you re shaking from head to toe.

Am

And if you wake up, you d be weary to lie, Cause discerning eyes will know.

So you sit down, you give in and they get up and they yelled!

Am

Someone s got blood on their hands!

Someone s got blood on their hands!

Em

With a stone cold glare and a crooked grin,

G

You know exactly what we re saying, when we say!

Am

Someone s got blood on their hands!

Someone s got blood on their hands!

Em

Forget about truth and consequence,

We ve got a way to deal with this.

Em

If you re good maybe they ll be light on you,

Am

As long as you dance just like they want you to,

G
