Verse 3 (match verse 1 for chords):

Let this be consolation, Steven
That all the while you were in England
I treated her with care and respect
And have her lots of love
And I was usually pretty good bout locking her up

Chorus 2 (match chorus 2 for chords):

Where has she gone?

Well, I bet she's on the bottom of a Frenchtown pond
Rudely abused on some hescher's joyride
So I wrote you this song
In the hopes that you'd forgive me
Even though it was wrong
Being so careless with a thing so great
And taking your poor Madeleine away, away
