

**Emin Dmaj Emin**

The season rubs me wrong

**Emin Dmaj Cmaj**

The summer swells anon

**Emin Gmaj**

So knock me down, tear me up

**Dmaj Cmaj**

But I would bear it all broken just to fill my cup

**Emin Dmaj Emin**

Down by the water and down by the old main drag

**Emin, Dmaj, Emin x4**

**Emin Dmaj Emin**

The season rubs me wrong

**Emin Dmaj Cmaj**

The summer swells anon

**Emin Gmaj**

So knock me down, tear me up

**Dmaj Cmaj**

But I would bear it all broken just to fill my cup

**Emin Dmaj Emin**

Down by the water and down by the old main drag

**Emin Dmaj Emin**

Down by the water and down by the old main drag

**Emin Dmaj Emin**

Down by the water and down by the old main drag
