Verse 1 chords: [play intro tab over chords]

G

Isn't a lovely night, and so alive with fireflies

Providing us their holy light

G

And here we made a bed of boughs and thistle down

That we had found to lay upon the dewy ground

Chorus Chords:

D	D7	Em	A	G
And isn't it a lovely way	we got in from our play,	isn't it babe?		
A	G			
A sweet little baby				

Verse 2: (use verse 1 chords)

And wasn't it a lovely breeze that swept the leaves of arbor eaves

And bent a brush o'er blushing knees

And here we died our little deaths and we were left to catch our breath

So swiftly lifting from our chests

Chorus Chords:

And isn't a lovely way we got in from our play isn't it babe?

A sweet little baby

Outro: intro chords and tabs 2x (in accordion), then

Chorus chords

That's basically it, really simple but great song. Enjoy and leave comments if I

messed something up
