

Like A Lion
The Decemberists

I waited for a tab of this song, and nothing came so here it is.
This is how you play the chords:

Cmaj7	Gmaj7	Em	Gmaj7add3
-----	-----	-----	-----
--0-----0-----8-----7-----			
--0-----0-----0-----0-----			
--2-----4-----5-----4-----			
--3-----5-----7-----5-----			
-----0-----0-----			

Cmaj7 **Gmaj7**
How it delighted
Em **Gmaj7add9**
Born so black and cold
Cmaj7 **Gmaj7**
And tired
 Em
Like yours
 Gmaj7add9
Like yours

Cmaj7 **Gmaj7**
How it delighted us
Em **Gmaj7add9**
Hands over hands
Cmaj **Gmaj**
Like a lion
Em
Like a lion

Cm **G** **Em**
Still watching the world go down
Cm **G** **Cmaj7**
Still watching it all go around
Gmaj7 **Em** **Gmaj7add9**
And the time stands still
Cmaj7
Until now

Gmaj7 **Em**
And it all stands still
Cmaj7 **Cm** **Em**
Somehow you thought it never would

This is an amazing song, and I know I messed up a little bit (this song is probably
with different chord positioning, and i messed up the end) so I hope someone
will fix it up.
Enjoy!
