

Charlies Is Coming Down
The Deep Dark Woods

a great Canadian band. song is about a bar in Regina, Sask.
standard tuning no capo. chords used are:

F C E Am

VERSE

F **C**
Good time Charlie was alive,
E Am
in 1969
F **C**
Now everybody s leavin town
F **C**
Since Charlie s is comin down

CHORUS

F **C**
Some may lock the windows and close all the doors
E Am
Good Time Charlie s no more
F **C**
Some people fight, some people lose
E Am
Charlie s got the blues
F **C**
Charlie s got the blues

Repeat this progression throught the song...

Well their heart s keep tellin lies
You can see it in their eyes
These cruel men keep runnin round
Thats why Charlie s is comin down

Some may lock the windows and close all the doors
Good Time Charlie s no more
Some people fight, some people lose
Charlie s got the blues
Charlie s got the blues

Lookin out my bedroom door
I hear a rattlin on the floor
The word has come around
That Good Time Charlie s is comin down

Some may lock the windows and close all the doors
Good Time Charlie s no more
Some people fight, some people lose

Charlie s got the blues
Charlie s got the blues

This old world has got me down
All these places have hit the ground
So let s buy another round
Before Charlie s crumbles down

Some may lock the windows and close all the doors
Good Time Charlie s no more
Some people fight, some people lose
Charlie s got the blues
Charlie s got the blues
