

Sugar Mama

The Deep Dark Woods

CAPO 5TH

G **C**
If I had the power to turn back time
C **G** **D**
I d go to the days when you were mine
C **G** **D**
If I had a dollar for every song
C **G**
I wouldn t dragging this blues along

[Chorus]

C **G**
So come on sugar mama, take a chance with me
C **G** **D**
I m a lot older than I used to be
C **G** **D**
This hard luck life has got me down
C **G**
These blues will drive me out of town

G **C**
So take me back to the windy coast
C **G** **D**
Back to the place I love the most
C **G** **D**
I got no one here to call my own
C **G**
The wintertime fields fill with snow

[Chorus]

C **G**
So come on sugar mama, take a chance with me
C **G** **D**
I m a lot older than I used to be
C **G** **D**
This hard luck life has got me down
C **G**
These blues will drive me out of town

G **C**
I was born to ramble and born to roam
C **G** **D**
Born to leave my fatherâ€™s home
C **G**
Something unpleasant is about to occur
C **G** **D**

I could leave you alone if that s what you d prefer

[Chorus]

C **G**
So come on sugar mama, take a chance with me

C **G** **D**
I m a lot older than I used to be

C **G** **D**
This hard luck life has got me down

C **G**
These blues will drive me out of town
