**Bbm** **Ebm**  
Let all them hounds off of their leashes

**Bbm** **Ebm**  
They re gunna hand you down now, that Short handed shovel  
**Bbm** **F5** **Bbm**  
And direct you, directly to the ditch

**Bbm** **Ebm**  
Now just hear them talking tongues child  
**Bbm** **F5**  
Though you know not what they mean  
**Bbm** **Ebm**  
Ain t gunna make no kind of difference  
**Bbm** **F5** **Bbm** **F5** **Bbm**  
Just keep your eyes focused on the screen

**Bbm** **Ebm**

**Bbm** **F5**  
Like them vultures in the sky  
**Bbm** **Ebm**  
Waiting now, just so patiently  
**Bbm** **F5** **Bbm**  
For every breathing soul to die

**Bbm** **Ebm**  
Yes they feed off your blood child  
**Bbm** **F5**  
As it flows out of your veins  
**Bbm** **Ebm**  
And I ve found what you have lost now  
**Bbm** **F5** **Bbm** **F5** **Bbm**  
Only what they have gained

**Bbm** **C#**  
Yes I guess I see
