[Verse]

```

      Am
When you re livin in a town like this

It s easy to sit back and just forget
      Am                      Em
That the world keeps on spinnin round and round
      Am                      Em

[Chorus]

```

      F
The beast is bitter, sink its teeth in deep
      G
She ll bite you while you re dreamin , send you off to your sleep
      C                      G          Dm          C
And you carry, you carry on down, on down, on down
      Am
Down that river deep
```

Repeat for the rest of the song!

I barred the G and C. Except the last C in the chorus. So, you know it has kind of a descending type deal going on.
I m pretty sure that s how they do it on the album...
