

Some are blind, but they don't see the sign that leaving it all in the
back of your mind... just won't work.

Well they can try, they can order your mind, and they can stick you with a
label until you can fly, but it... just won't work.

Some are blind, but they don't see the sign that leaving it all in the
back of your mind... just won't work.

Well they can try, they can order your mind, and they can stick you with a
label until you can fly, but it... just won't work.

Whole..., Whole Earth.

Whole..., Whole Earth.

Well am I living in A hole... or am I living, I'm a living in a hole... or
am I living in a... whole Earth?

Well am I living in A hole... or am I living, I'm a living in a hole... or
am I living in a... whole Earth?
