Never grow old, never grow old

Never grow old, never grow old
Eb **G#**
Tis a land where we ll never grow old

In that beautiful home
Where we ll never more roam
We shall meet in the sweet by and by
Happy praise to the King through eternity sing
Tis a land where we never shall die

When our work here is done
and the life crown is won
And our troubles and trials are over
All our sorrows will end
All our voices will blend
With the loved ones who ve gone on before
