Met her halfway to Birmingham
E **A**
Leaving middle Tennessee
E **A**
Made a speech to say inside my head
E **A**
Swore that Iâ€™d say everything

Cmaj7 **B** **A**
Iâ€™ve been giving you my life
Cmaj7 **B** **A**
Iâ€™m always on time

Cmaj7 **B** **A**
Whether Iâ€™m your kind

Iâ€™ve been thinkin bout the country
Cmaj7 **B** **A**
Thinkin bout you and me
Cmaj7 **B** **A**
Iâ€™ve been thinkin where I do belong
E **B** **A**
And why you belong with me

E **A**
In frustration she had bowed her head
E **A**
And I could hardly breathe
E **A**
Reminisced on the times we had
E **A**
But said that she would have to leave

Cmaj7 **B** **A**
Yeah, itâ€™s hard, it s hard to walk away from you
Cmaj7 **B** **A**
We donâ€™t live at the same speed
Cmaj7 **B** **A**
Youâ€™re gonna make somebody happy
Cmaj7 **B** **A**
That someone, ainâ€™t me

Cmaj7 **B** **A**
Cause when youâ€™re thinkin bout the country
