G D E B

Ah

G

When you came to see me

D **E B**

In that hospital bed

G

They had pulled out the plug

D **E B**

And they had left me for dead

G

I had started on a journey

D

Down that tunnel of light

E

One look in your eyes

B

And everything was alright

G

When you came to see me

D **E B**

In that hospital bed

[intro]

G D E B

Ah

G

And now weâ€™ve got a little time

D E B

Before that trumpet sounds

G

And the earth rises up

D E B

To swallow me down

G

Will you stay here now

D

At the end of my days

E

Will you give me your heart

B

Until that sad waltz plays?

G

Will you stay beside me

D E B

In that hospital bed?

[intro]

G D E B

Ah

G

So draw the curtains

D

Look out for the nurse

E

You said you loved me

B

for better and for worse

G

For richer, for poor

D

In sickness and in health

E

You have held onto my hand

B

Though itâ€™s a bad hand Iâ€™ve been dealt

G

Will you stay beside me

D E B

In that hospital bed?

G

Will you stay beside me

D

E B

In that hospital bed?

G D E B

Ah
