

Wishful Thinking
The Ditty Bops

D

Why does blood turn brown when it dries

E

Why do the tears well up in your eyes

Bbb

Why didn't I learn to ride my bike

D

Bbb

When it was warm and sunny outside

D

Why can't little kids tie their shoes

E

Why can't the white people play the blues

Bbb

Why can't I fall in love with you

D

It must be because of the seasons

Bbb

D

When the leaves start falling from the trees

Bbb

D

When the birds start flirting with the bees

Bbb

D

D13

When the wind starts blowing from the East to the West

G

Gm

D

Maybe you'll be the one that I like best

D

Clouds start forming I can't complain

E

Cause I think we might be in need of some rain

Bbb

When it starts pouring

D

Bbb

Don't hide away without me

D

I bought an umbrella big enough for two

E

But it feels pretty empty under here without you

Bbb

Dry as a bone but I'm still alone

D

I'm so gray

Bbb

D

When you're standing in a puddle with wet feet

Bbb **D** **D13**
And your head is sore from pounding drops of sleet

Bbb **D** **D13**
When the cold and lonely hours put your heart to the test

G **Gm** **D**
Maybe I ll be the one that you like best

G **Gm**
If the sky can open its eyes

D **E**
And cry from up above

Em **Bbb**
Let s shed some tears of joy

D13 **D**
And fall in love
