

Becoming More Like Alfie
The Divine Comedy

INTRO:

Am Asus4 Am Am(add9)

i.e. just keep moving the **C** on the 2nd string up and down.

Am Asus4 Fmaj7/G then add 11 (release the **C** 2nd string)

Once there was a

Am Asus4 Fmaj7/G then add 11

time, When my

Am/F# Asus4/F# Fmaj7 (6-5) **Em** (6-5)

mind lay on higher things

{as above}

And once there was a time

I could find pretty words to sing

But now, well now I find

It saves time to say what you mean

I know it seems so unrefined

but it s time to let off some steam

Oh come on!

F D7/F# Am Em

Everybody knows that No means Yes

F D7/F# Dm7/G G

Just like glasses come free on the N. H. S.

F D7/F# Am Em

But the more I look through them the more I see

F G(6) C

I m becoming more like Alfie

Once there was a time

When a kind word could be enough

And once there was a time

I could blindfold myself with love

But not now - now I m resigned

To the kind of life I had reserved

For other guys less smart than I

Y know - the kind who will always end up with the girls

And besides

Everybody knows that No means Yes

Just like glasses come free on the N.H.S.

But the more I look through them the more I see

I m becoming more like Alfie

Oh come on!

SOLO {based on **Chorus**}

FINAL CHORD:

Cmaj7
