

Perfect Lovesong  
The Divine Comedy

**Eb**                    **Bbm6**  
Give me your love  
                  **C7sus**    **C7**    **Fm7**        **Bb7**  
And I ll give you the perfect love song  
**Eb**            **Bbm6**                    **C7sus**    **C7**  
With a divine Beatles bassline  
                  **Fm7**        **Bb7**                    **Eb**  
And a big old Beach Boys sound

**Ab9**                                    **Bb**  
I ll match you pound for pound  
                  **Ab9**                                    **Eb**  
Like heavyweights in the final round  
                  **Ab9**                                    **F7**  
We ll hold on to each other  
                  **Bbsus**    **Bb**    **Eb**            **Ebsus**  
So we don t fall down

**Eb**                    **Bbm6**  
Well give me a wink  
                  **C7sus**    **C7**                    **Fm7**                    **Bb7**  
And I ll give you what I think you re after  
**Eb**                    **Bbm6**                    **C7sus**        **C7**  
With just one kiss I will whisk you away  
                  **Fm7**        **Bb7**        **Eb**  
To where angels often tread

**Ab9**                                    **Bb**  
We ll paint this planet red  
                  **Ab9**                                    **Eb**  
We ll stumble back to our hotel bed  
                  **Ab9**                                    **F7**  
And we ll make love to each other  
                  **Bbsus**    **Bb**        **Bbm**  
Til we re half    dead

**Fm**    **Cm**                                    **Gm**  
Maybe now    you can see  
**Dm**                    **Ab**    **Cm**                                    **Fm7**        **Bb**  
Just what you    mean to me

(sobe meio tom)

**E**                    **Bm6**  
Give me your love  
                  **C#7sus**    **C#7**    **F#m7**        **B7**  
And I ll give you the perfect love song

**E**                    **Bm6**                    **C#7sus** **C#7**

Give me your word, that you ll be true

**F#m7**            **B7**            **E**

To me always come what may

**A9**            **B**

Forever and a day

**A9**                                    **E**

No matter what other people may say

**A9**                                    **F#7**

We ll hold on to each other

**Bsus** **B** **E**            **Esus**

Till we re old            and grey
