We took your daddy s car

**A A/D D**  
And then when we got tired and it got dark  
**C#7 F#m**  
We found a place to park  
**E4-3 A4-3**  
And we watched the sunset fire  
**D4-3**  
To the sea

**A°7 A/E A9 Dmaj7**  
Can you feel the sadness in our love?  
**E7 Bm7 A Dmaj7**  
It s the only kind we re worthy of  
**A°7 A/E A9 Dmaj7**  
Can you feel the madness in our hearts?  
**E7 Bm7 A Dmaj7**  
As the key turns and the engine starts  
**D°7**  
Engine starts

{as before}

We took your daddy s car  
And drove it into town  
We steamed into a bar  
And we bought the biggest bottle of champagne  
And driving through the rain  
We sang: God bless this car, and all who sail in her!

**Chorus** repeat

We took your daddy s car  
And wrapped it round a tree  
We didn t know what for  
We didn t feel like driving any more  
It was so good  
We got bored

**C C/B C/A C/B D4-3**  
And we are driving from the day we are born

{**Chorus** as before}

**Chorus** Repeat

Can you feel  
The engine  
Start

{Stay on the **Dmaj7** at the end and feel that sadness...}
