

**As I See The Poppies Fall**  
**The Dogs D'Amour**

AS I SEE THE POPPIES FALL

**D, Em, G**

**D**  
Come on boys

**D, Em, G, D**

**D** **Em**  
As I see the poppies fall  
**G** **D**  
I try to think what it must have been like  
**D** **Em**  
To fight and die  
**G** **D**  
In a war, what for

**D** **Em**  
And all the promises made  
**G** **D**  
The only one they kept  
**D** **Em**  
Was to take their land  
**G** **A**  
And never give it back, yeah

**Em** **G** **A** **Asus**  
If only they had said what they wanted to say  
**Em** **G** **A**  
It doesn't allways turn out that way

**D** **Em**  
As I see the poppies fall  
**G** **D**  
See the futility of it all  
**D** **Em**  
And as I see the poppies fal  
**G** **A**  
I see the futility, oooh

**D** **Em**  
You left me that morning  
**G** **D**  
To catch yourself a plane  
**D** **Em**  
I didn't know what to say

**G D**  
I didn't wanna start again

**D Em**  
I didn't want you to go

**G D**  
Didn't know what to say

**D Em**  
I drank my drink and pulled on my coat

**G A**  
And as I shut the door a lump came to my throat

**Em G A**  
And if only I had said what I wanted to say

**Em G A**  
It doesn't allways turn out that way, hey, hey, hey

**D Em**  
As I see the poppies fall

**G D**  
I see the futility of it all

**D Em G A**  
Oh, as I see the poppies fall, oh, oh

**D Em**  
As I see the poppies fall

**G D**  
I see the futility of it all

**D Em G A**  
Oh, as I see the poppies fall, oh, oh

**D Em**  
As I see the poppies fall

**G D**  
I see the futility of it all

**D Em G A**  
Oh, as I see the poppies, hey, hey, hey
