

Empty World

The Dogs D'Amour

and when im on the D im adding the odd note with my little finger on the G note.

This is also the intro

Hope that helps :)

D G D G
My world is empty, without you
D G F# E
Sometimes I feel so empty, without you
D G D G
Without a soul to help me thru these dark and lonely days
D G F# E
of wishing I could be more successful in my own ways

D G
I sleep so little again
D G
I get sick every morning from the evenings grain
D G
And my eyes just hang so heavy
F# E
over the smile that hides my pain
D G
and my heart lies in the basement
D G
While my thoughts go thru the roof
G A D
I only wish that I had told the truth

G A D
This is such an empty world, such an empty glass
G A D
There s not enough words in this world to forget the past
G A D
I only wish that I had told the truth
D G D G
My world is empty, without you
D G F# E
Sometimes I feel so empty Betty blue
D G D G
Without my soul, without my mind
D G F# E
Without my heart, I am hard to find
D G D G
Sometimes I feel so empty in this world without you
