<b>C</b>	<b>B/C</b>	<b>Am</b>	<b>F</b>
Ever	do	right,	ever do wrong

Well, I m lookin for reassurance  
Am  
And I m lookin for a reason why  
F  
I m lookin for some answers  
G  
Lookin for the perfect life  
C Am  
I m lookin for my spirit lost somewhere in time  
F  
And I m lookin for somewhere to live  
G  
That I can call mine

**F** **E7**  
I m looking for a girl who ll be my woman forever  
**Am** **G**  
But I seem to make the same mistakes  
**Am** **G** **F**

<b>C</b>	<b>B/C</b>
What do I do wrong, do I ever do right?	
<b>Am</b>	<b>F</b>
Will I ever see the light of day will it always be the black of night? (x2)	

C  
I m standing at the crossroads  
Am  
I ve been here for a million year  
F G  
Everything I do is far away as far away as near  
C  
Man I m sick of all this talking  
Am  
But all this silence drives me crazy  
F G  
And all this pacing back and forth it gets me nowhere all
