HOW DO YOU FALL IN LOVE (AGAIN)

C, Em, F, G

C **Em**
Sitting with my head in my hands
F **G**
Letting the tears trickle through like sand
C **Em**
Oh, the times you've taken, oh
F **G**
And the things we'd give
C
And the films we'd watch
Em
And the things we'd do
F **G**
And the things I'd say to you
C **Am** **G**
How do you fall in love again
F
How do you start it all over
C **Am** **G**
How do you fall in love again
F
How do you start it all over
C
Oh, when I'm out with the boys
Em
You're gonna say I'm alright
F **G**
I've got someone to take home tonight
C
It's not what I want
Em
It's not what I need
F **G**
You know me better than that
C **Am** **G**
How do you fall in love again
F
How do you start it all over
C **Am** **G**
How do you fall in love again
F
How do you start it all over
Am

Oh, when things get bad
