

Otherside

The Dogs D'Amour

Bonus track from the hard to find special edition of Happy Ever After .
It s one of their best songs. No idea why it is so rare. I am not
entirely sure about the E chord... I think it may be some variation on
it? But it sounds workable this way anyhoo.

[Intro]

A F# C# A F# C#

[Verse 1]

A
Some say you were the one who pulled the trigger

D
Some say you weren t even there

A
Some have sworn revenge for your wrong doings

D
While others don t seem to care
