

Planetary Pied Piper
The Dogs D'Amour

PLANETARY PIED PIPER

E, A x3

E **A**
With his voice of honey and his mind of death
E **A**
Let his cancer in your heart will be your last breath
E **A**
And his seed breeds, yeah, inside your mind
E **A**
And you tell your children to listen to someone they'll never know
A **E**
Oh, as they take the oath, they might as well take their lives
A **E**
Democracy is just hypocrisy on the tip of someone else's tongue, yeah

A **B**
Planetary pied piper, yeah
E **B**
Oh, follow him to hell
A **B** **E**
Oh, but this time there won't be a story left to tell

E **A**
Oh, concern must be twohundred years old
E **A**
His architectural development, solid
E **A**
Like the way he thinks, like the way he smells
E **A**
Well, he don't give a damn when he's down in his little hole

A **B**
He's a planetary pied piper, yeah
E **B**
Oh, follow him to hell
A **B** **E**
Oh, but this time there won't be a story left to tell

A **B**
Yeah, he's a planetary pied piper, yeah
E **B**
Oh, follow him to hell
A **B** **E**
Oh, but this time there won't be a story left to tell

E

Dearly beloved

E

Would you die for your country

E

Would you fight? Would you hide?

E

Land of enchantment

E

Sadland of desire

E

You could set everybody's house

E

And their hearts on fire

E

Let me tell you, baby

E

Let me tell you now
