

Put It In Her Arm
The Dogs D'Amour

NOTE:

Chords: **Em** / **C** (**Cadd9**) / **D**

When playing it acoustically, the add9 sounds much better.

But that's all in the eye of the beholder.

Em C(add9) D

Everytime the sun went down

Em C(add9) D

she put it in her arm

Em C(add9) D

she's Betty Blue on China White

Em C(add9) D

she put it in her arm

Em C(add9) D

She put it in her arm

Many a day I would wake up
find myself barely alive
many a day I would squander my wealth
that she saw in my eye

There's a man at my door with a cross
swears to god he's lost
gave him direction to the edge of time
that's where we severed the line

Incidentally I tell you
it's all over between me and you
I'll see you later
