

Whats Happening Here
The Dogs D'Amour

WHAT S HAPPENING HERE?
(Tyla)

E
It s a long way to wander from the Wulfruna Queen
C
To the land of oblivion past the silver screen
A **E**
where the heart felt poor plead for insanity
E
Lifted from the streets by angels in the night
C
Found dead the next morning at the break of light
A **E**
Another John Joe gets his tags told that s alright

C
Do you really know, do you really see,
A **E**
do you really feel, what s happening here
C
Do you really know, do you really care
A **E**
do you really see what s happening here

E
The baby s jonesing on the rock while feeding off the breast
C
Looks like she s going to end up like all the rest
A **E**
while her father grows old and grey in jail

C
Do you really know, do you really see,
A **E**
do you really give a fuck, what s happening here
C
Do you really know, do you really care
A **E**
do you really smell... what s happening here

E
And if the violence don t get you under the smog
C
You re gonna wear yourself out in a dead end job
A **E**
And before you know it you ve lived your life away
