

**You Cant Burn The Devil**  
**The Dogs D'Amour**

YOU CAN T BURN THE DEVIL  
(Tyla)

**Am C G F** x2

**Am** **C**  
As you step back in line with all the rest  
**G** **F**  
I recall the time you thought we were the best  
**Am** **C**  
As you kiss the hand of the one who feeds your flame  
**G** **F**  
Your voice fades across the ocean of deceit and pain

**Am** **C**  
You can t burn the devil or compete with sin  
**G** **F**  
The line that you walk is extremely thin  
**Am** **C**  
You can t burn the devil or mess with him  
**G** **F**  
You don t play with fire and hope to win

**Am** **C**  
You don t have the power to pull us apart  
**G** **F** **C** (not sure about that)  
You don t have a contract with our hearts

**G** **F**  
The voice of pain once said to me don t believe what you see or hear  
**G** **F**  
As soon as you see the lamb, you know that the wolf is near

**Am** **C**  
You can t burn the devil or compete with him  
**G** **F**  
You don t play with fire and hope to win  
**Am** **C**  
You can t burn the devil or compete with him  
**G** **F**  
You can t play with fire and get away for free
