

Tip Of The Tongue
The Donnis Trio

[Verse]

C **G**
It was a summer night and I was sleeping
Am **Em**
The moon was out, my head was beaming
F **E** **Am** (h/p on B string)
Looked at my dreams like they were gold
C **G**
Amazing feelings draw within me
Am **Em**
All my conflicts slip beneath me
F **E** **Am** (h/p)
Like the spirit of a song
Adim
Or like the feeling of a lover in your arms

[Chorus]

C **G**
But ever since that night and after
Am **Em**
The dreams I had, I can't recapture
F **E** **Am** (h/p on B string)
And it brings me down so low
C **G**
The more I search the less I find
Am **Em**
The more I look the more I'm blind
F **E** **Am** (h/p)
Like a melody so young
Adim
Hanging on the tip of the tongue

[Verse]

C **E** **F** **C**
If I wait long enough now,
C **Am**
Will you come to me?
Dm **G**
Will you come to me?
C **E** **F** **C**
So far away, but right beside me
C **Am**
Will you come to me?
Dm **G** **C** (open)
Will you follow me home?

C **G**

When we first met we were so young
Am **Em**
We played out past the setting sun
F **E** **Am** (h/p on B string)
In a world of make believe
C **G**
Wooden forts and magic beans
Am **Em**
Silly thoughts and silly dreams
F **E** **Am** (h/p on B string)
How we said we d never change,
Adim
But somehow life got in the way

[Chorus]

C **G**
But way back then and even now
Am **Em**
I still love you i don t know how
F **E** **Am** (h/p on B string)
You got magic in your eyes
C **G**
And underneath our conversation
Am **Em**
In our thoughts our contemplations
F **E** **Am** (h/p on B string)
There s a feeling left unsung,
Adim
Hanging on the tip of the tongue

[Verse]

C **E** **F** **C**
If I wait long enough now,
C **Am**
Will you come to me?
Dm **G**
Will you come to me?
C **E** **F** **C**
So far away, but right beside me
C **Am**
Will you come to me?
Dm **G**
Will you come to me?
C **E** **F** **C**
If I wait long enough now,
C **Am**
Will you come to me?
Dm **G**
Will you come to me?
C **E** **F** **C**
So far away, but right beside me
C **Am**
Will you come to me?

Dm **G** **C** (open)

Will you follow me home?
