Lyrics:

I think back to the time  
When I first saw your face  
You were walkin across the delta  
To your cold and lonely place  
You know, I took you for a small girl  
Really not quite seventeen  
Oh, Lord, but I was wrong, oh so wrong  
You re like a woman I ve never seen

Dark eyed Cajun woman  
Where are you comin from  
Your soul is in the back woods  
They say you never had a home  
But I m gonna know you better  
If it takes all night and day  
Dark eyed Cajun woman  
You ll never get away, no, no

Now the evenin is blowin  
I hear your voice most everywhere  
Your cold, black eyes  
They are dancin in the starlight  
Warmin the cold night air  
It s so beautiful, you know I have to say  
Dark eyed Cajun woman  
You ll never get away
