Take this message to my brother
You will find him everywhere
Wherever people live together
Tied in povertys despair
You, telling me the things youre gonna do for me
I aint blind and I dont like what I think I see

Takin it to the streets
Takin it to the streets
Takin it to the streets
Takin it to the streets

(Play through verse again for a solo. Then sing chorus after. Repeat as many times

as you want til end)
