Granda loved a sailor Who sailed the frozen sea  
He grandpa was the whaler And he took me on his knee  
He said Son Im going crazy From living on the land  
Got to find my shipmates And walk on foreing sands

This old man was graceful With silver in his smile  
He smoked a briar pipe and He walked four country miles  
Singing songs of shady sisters And old time liberty  
Songs of love and songs of death And songs to set me free

Ive got three ships and sixty man  
A course for ports unread  
Stand at mast, let north wind blows  
Till half of us are dead

Not To Touch The Earth

(Dm Cm)

Not to touch the earth  
Not to see the sun  
Nothing left to do but run run run  
Let s run  
Let s run  
House upon the hill  
Moon is lying still  
Shadows of the trees  
Witnessing the wild breeze  
Come on, baby, run with me  
Let s run

The mansion is warm at the top of the hill  
Rich are the rooms and the  
comforts there  
Red are the arms of luxuriant chairs  
And you won't know a thing till you  
get inside  
Dead President's corpse in the  
driver's car  
The engine runs on glue and tar  
Come on along, not goin' very far  
To the East to meet the Czar

Some outlaws live by the side of a lake  
The minister's daughter's in love with  
the snake  
Who lives in a well by the side of  
the road  
Wake up, girl, we're almost home  
We should see the gates by morning  
We should be inside by evening  
Sun, sun, sun  
Burn, burn, burn  
Soon, soon, soon,  
Moon, moon, moon  
I will get you  
Soon  
Soon  
Soon  
I am the Lizard King  
I can do anything
