

Moonlight Drive
The Doors

G7

Let s swim to the moon
Uh huh
Let s climb thru the tide
Penetrate the evenin that the city
sleeps to hide

D7

Let s swim out tonight, love
It s our turn to try

G7

Parked beside the ocean
On our moonlight drive

A7

Let s swim to the moon
Uh huh
Let s climb thru the tide
Surrender to the waiting worlds that
lap against our side

E7

Nothin left open
And no time to decide

A7

We ve stepped into a river
On our moonlight drive

A7 **D** **A7** **D**

Let s swim to the moon
A7 **D** **A7** **D**
Let s climb thru the tide
A7 **D** **A7**

You reach a hand to hold me
D **A7** **D** **A7** **D**
But I can t be your guide

E7

Easy to love you as I watch you glide
A7 **D** **A7**

Falling through wet forests
D **A7** **D** **A7**

On our moonlight drive
Moonlight drive
C mon, baby, gonna take a little ride
Down, down by the ocean side
Gonna get real close
Get real tight
Baby gonna drown tonight
Goin down, down, down
