She was a princess, Queen of the Highway.
Sign on the road said: Take us to Madre.
No one could save her, save the blind tiger.
He was a monster, black dressed in leather.
She was a princess, Queen of the Highway.

Now they are wedded, she is a good girl;
Naked as children out in the meadow,
naked as children, wild as can be,
soon to have offspring, start it all over.
Start it all over.

Son of a frontier Indian Swirl,

formless hope it can
