

**Universal Mind**  
**The Doors**

**Am**

I was doing time  
In the universal mind

**G**

I was feeling fine

**Am**

I was turning keys  
I was setting people free

**G**

I was doing all right

**Em**

Then you came along  
With a suitcase and a song

**A**

Turned my head around

**Am**

Now I m so alone

**C**

Just looking for a home

**E**

In every place I see

**Am Dm**

I m the freedom man

**E**

**Am Dm**

I m the freedom man

**E**

**Am Dm**

I m the freedom man

**E**

**Am E**

That s how lucky I am
