

**Is Anybody Out There**  
**The Downtown Fiction**

This is my fav song from this band and the only tab on here didn't sound right to me (or maybe it's just me), so I thought I'd figure it out with the help of TDF#1Fan's chords because I wanted to learn to play this song and decided to make tabs for it. This is my first tab, so if anything sounds off, please email me back at windy\_city92@yahoo.com. I would appreciate it because I do want to play this song. :) These chords sound remotely close.

VERSE 1:

**Dm** **F**  
Stand in line, like military time,  
**Bb** **A**  
flowers blooming up from dirt.  
**Dm** **F**  
Wear the ties and complicated lies,  
**Bb** **F**  
there's wrinkles on a fresh-pressed shirt.  
**Dm** **F**  
He stands alone, conforming on his own,  
**Bb** **A**  
he's thinking but he does not speak.  
**Dm** **F**  
He tries to fight, the edge is on his mind,  
**Bb** **A**  
but she is what he truly seeks.  
**Bbm** **A**  
But she is what he truly seeks.....

CHORUS:

**F** **Dm**  
Hey, is anybody out there?  
**C** **Bb** **Bbm**  
I'm reaching out.... Hey?

Is anybody out there?  
**C** **Bb** **Bbm**  
I'm coming down..... Hey?

Is anybody out there?

I'm freaking out... I'm freaking out..
