

Up High
The Dreadnoughts

[Verse 1]

Dm
Come my brothers
G
Come you fighting men
Dm **Bb**
Come together while we may
Dm **G**
We neâ€™er may meet again

[Verse 2]

Dm
Come all you soldiers
G
Sing out proud and brave
Dm **Bb**
Each man fallen here before
Dm **G**
Stirs now in his grave

[Chorus]

F **G**
So raise your voice up high
F **Bb** **Dm**
Sing Godâ€™s praises, sing for us all
G
And the men we will slay

F **G**
And raise your voice up high
F **Bb** **Dm**
Sing for victory, sing for the way
G
We will honour our dead
Dm
We remember

[Verse 3]

Dm
Dayâ€™s light is passing
G
Soon to the night weâ€™ll go
Dm **Bb**
If we are soldiers true and true
Dm **G**
Tomorrow we will know
