Burn
(Steve Wynn)

Em C G D/F#
Someone set fire to the field last night
Em C G D/F#
Turned himself in this morning
Em C G D/F#
No, I don t think you knew him
A D
But that s not the point
A D
Em C G D/F#
Well, the cops asked why he d done it
Em C G D/F#
As they fastened up the cuffs
Em C G D/F#
He looked at what he d done and said
A D
I guess I just don t know
A D
Em C G D/F#
But you can feel it in your heart, Feel it in your soul
Em C G D/F#
Feel it go around until you lose control
Em C G D/F#
And there s just a few things that can t be told
A D
Don t you feel it burn

A D
Don t you feel it burn
A D
Ah, don t you feel it burn

There was this friend that you and I had
There were a few things he believed in
And then one by one he found some flaws
And now he s not so sure
(ch)

I woke up alone this morning
And I looked around the room
Someday there s gonna be hell to pay
I know (ch)
