Burn  
(Steve Wynn)

**F#m D A E/F#**  
Someone set fire to the field last night  
**F#m D A E/F#**  
Turned himself in this morning  
**F#m D A E/F#**  
No, I don t think you knew him  
**B E**  
But that s not the point  
**B E**  
**F#m D A E/F#**  
Well, the cops asked why he d done it  
**F#m D A E/F#**  
As they fastened up the cuffs  
**F#m D A E/F#**  
He looked at what he d done and said  
**B E**  
I guess I just don t know  
**B E**  
**F#m D A E/F#**  
But you can feel it in your heart, Feel it in your soul  
**F#m D A E/F#**  
Feel it go around until you lose control  
**F#m D A E/F#**  
And there s just a few things that can t be told  
**B E**  
Don t you feel it burn  
  
**B E**  
Don t you feel it burn  
**B E**  
Ah, don t you feel it burn

There was this friend that you and I had  
There were a few things he believed in  
And then one by one he found some flaws  
And now he s not so sure  
(ch)

I woke up alone this morning  
And I looked around the room  
Someday there s gonna be hell to pay  
I know (ch)
