verse- **Am D**

Chorus- **C G Am D**

whole song:

**Am** **D**  
so you don t want to hear about my good song  
**Am** **D**  
you don t want to hear about how i am getting on  
**Am** **D**  
with all the things that i can get done  
**Am** **D**  
the sun is in the sky and i am on my lonesome  
**Am** **D**  
so you don t want to hear about my good day  
**Am** **D**  
you have better things to do than to hear me say

**C**  
god its been a lovely day  
**G**  
everything s been going my way  
**Am**  
i took out the trash today  
**D**  
and i m on fire

**Am** **D**  
so you don t want to hear about my good friends  
**Am** **D**  
you don t have the guts to take the truth of consequence  
**Am** **D**  
success is in the eye of the beholder  
**Am** **D**  
and it s looking even better over your cold shoulder  
**Am** **D**

i m not suggesting you get to line me up for questioning

**Am**

**D**

but you don t think about the bridges you are burning

**Am**

and i m burning

**D**

and even though you knew it from the start

**Am**

**D**

you d rather be a bitch than be an ordinary broken heart

**Am**

**D**

so go ahead and talk about your bad day

**Am**

**D**

i want all the details of the pain and misery

**Am**

**D**

that you are inflicting on the others

**Am**

**D**

i consider them my sisters and i want their numbers

**C**

god its been a lovely day

**G**

everything s been going my way

**Am**

i took up croquet today

**D**

and i m on fire

**Am**

**D**

i picked up the pieces of my broken ego

**Am**

**D**

i have finally made my peaces far as you and me go

**Am**

**D**

but i d love to have you up to see the place

**Am**

**D**

i d like to do more than survive i d like to rub it in you face

**C**

hey its been a lovely day

**G**

everything s been going my way

**Am**

i had so much fun today

**D**

and i m on fire

**C**

god its been a lovely day

**G**

everything s been going my way

**Am**

ever since you went away

**D**

hey i m on fire

[thats all people--enjoy]
