

**Slide**

**The Dresden Dolls**

this song is really easy... i found the tune randomly just strumming along.

strumming pattern goes: down up down down up down

**C**

a late april day

**Em**

and its sunny outside

**C**

and a red little girl

**Em**

in at the top of a slide

**C**

and an orange old man

**Em**

at the bottom

**C**

wants to take her

**C**

for a ride

(dot dot dot)

i don t know the chorus or the bridge, but if you want to feel special, you can just play it over and over and over and over and over...
