## Save The Last Dance For Me The Drifters You can dance every dance with the guy who gives you the eye Let him hold you tight You can smile every smile for the man who held your hand Neath the pale moonlight C7 But don t forget who s taking you home And in whose arms you re gonna be So darling, save the last dance for me Oh I know that the music is fine like sparkling wine Go and have your fun Laugh and sing but while we re apart Don t give your heart to anyone C7 But don t forget who s taking you home And in whose arms you re gonna be So darling, save the last dance for me Baby don t you know I love you so Can t you feel it when we touch I will never never let you go Cause I love you oh so much You can dance, go and carry on till the night is gone

If he asks if you re all alone can he take you home
