

**Save The Last Dance For Me**  
**The Drifters**

**D**                    **D**                    **D**  
You can dance every dance with the guy who gives you the eye  
**A**  
Let him hold you tight  
**A**                    **A**                    **A**  
You can smile every smile for the man who held your hand  
**D**                    **D**  
Neath the pale moonlight

**D7**                    **G**  
But don t forget who s taking you home  
**G**                    **D**  
And in whose arms you re gonna be  
**A**                    **A**                    **D**  
So darling, save the last dance for me

**D**                    **D**                    **D**  
Oh I know that the music is fine like sparkling wine  
**A**  
Go and have your fun  
**A**  
Laugh and sing but while we re apart  
**D**                    **D**  
Don t give your heart to anyone

**D7**                    **G**                    **G**  
But don t forget who s taking you home  
**D**                    **D**  
And in whose arms you re gonna be  
**A**                    **A**                    **D**  
So darling, save the last dance for me

**D**                    **A**  
Baby don t you know I love you so  
**A**                    **D**  
Can t you feel it when we touch  
**D**                    **A**  
I will never never let you go  
**A**                    **D**  
Cause I love you oh so much

**D**                    **D**                    **D**  
You can dance, go and carry on till the night is gone  
**A**  
and it s time to go
