

Two Of The Lucky Ones
The Droge And Summers Blend

E **C#m**
Standing on a hill, staring at a mountain
E **C#m**
Swallows dive and turn, trying to catch what we can't see
E **C#m**
Sure ain't the first time, hope it ain't the last time

Chorus:

C#m **B** **A** **B** **C#m**
When all the work is done, by the light of a setting sun
C#m **B** **A** **G#m** **B** **C#m**
We see what we've become -- two of the lucky ones.

Verse 2:

E **C#m**
The wind is gonna blow, trees are gonna sway in kind
E **C#m**
And babe, I know you know... that they don't have to try
E **C#m**
Sure ain't the first time; hope it ain't the last time

Chorus:

C#m **B** **A** **B** **C#m**
When all the work is done, by the light of a setting sun
C#m **B** **A** **G#m** **B** **C#m** **B**
We see what we've become -- two of the lucky ones.

Bridge:

A **B** **C#m** **B** **A**
For the very first time, there's no words to be found
A **B** **C#m** **B** **A** **B**
Opened up our eyes, there was love all around --

Chorus:

C#m **B** **A** **B** **C#m**
When all the work is done, by the light of a setting sun
C#m **B** **A** **G#m** **B** **C#m**

We see what we ve become -- two of the lucky ones.

E **C#m**
