

The Drifting Housewife
The Drones

F#

I was more worried about taxes

B

When my lovely red-eyed bride

F#

Became a hair-splitting believer

B

That I should be vilified

Bbm

She'd see the rudder fail me

B

Move to Egypt, or to Spain

C#

The hammer fell, my fate's altered

B

Like sparks thrown from a flame

E

You know the Law

B

Know the Law

F#

My hopes were razed like three day growth

B

Then raked by nervous ticks

F#

Was I the bullseye or the launchpad?

B

I could never find the switch

Bbm

Her eye received heaven from earth

B

Like an atoll petrified

C#

Except where Saturn's life-belt

B

Shields a half-life from your eyes

E

You know the Law

B

Know the Law

C#

So don't go getting married

B

You can only change her name

E

You know the Law

B

Know the Law

F#

I m out here on lighthouse duty

B

Where the foghorns groan through space

F#

Echo into red ant country

B

Through the doldrums and the wastes

Bbm

I d right the wrongs if I could

B

But some things can t be exchanged

C#

So don t go getting married

B

You can only change her name

C#

Don t go getting married

B

You can only change her name

E

You know the Law

B

Know the Law
