The Drop-Out Record

The Killing

Hand Signal, Plane Crash EP

2008

Tuning: Standard EADGBe

palm muted

**C** **E**  
You hit the nail on the head tonight  
**D** **C**  
Everything you do is in spite  
**E** **D**  
I ll be alright

**C,E,D** (4x)

Verse 1

**C** **E**  
How does she do this to me?  
**D** **C**  
How have I fallen completely?  
**E**  
She s just a girl  
**D**  
But she s my world

Consequently

**C** **E**  
She reads books and I read hearts  
**D** **C**  
The line we color in never starts  
**E** **D**  
But she can kill me with her smile  
  
I d brush it off but I d be in denial.

**C,E,D** (4x)

CHORUS

**G** **D** **C** **D**  
This is the killing and I don t know where to start  
**G** **D** **C** **D**  
It troubles me, lack of complexity, that we would ever have to part

G                    D                    C                    D  
This is the killing, Control is only true  
G                                    D                                    C                    D  
When it belongs to someone and that someone isn't you

C,E,D (4x)

Verse 2

C                    E  
Her eyes were ocean green  
D    C  
Beautiful yet so damn obscene  
E  
The night could not be controlled  
D    C  
Let it snow, let it snow, let it snow  
E  
And I knew she was for me  
D    C  
The way she spoke it was, it was so sweet  
E    D  
Awkwardly, are you gonna kiss me?

CHORUS

C,E,D (4x)

C    E  
You hit the nail on the head tonight  
D    C  
I thought everything you did was in spite  
E                    D  
I'm not alright
