

Hard To Love
The Drums

I noticed this wasn't here so I went and figured it out on the piano. This is my first one of these, so, yeah.

Artist: The Drums
Song: Hard To Love
Album: Portamento

The notes for the bass part in the beginning are F, A and D

F

Tell me why when you look me in the eye

Dm

Why do I feel I want to die

F

I've been at work all day in the pouring rain

Dm

Just to give you something you'll forget

F

Aha

Dm

Aha

Am

Dm

And I would never hate you

F

But you're hard to love

Am

Dm

And I would never leave you

F

But you're hard to love

Am

You're hard to love

Am

You're hard to love

F

You're hard to love

F

You're hard to love

You're hard to love

F

And I don't know why after all this time

Dm

Every single song I sing is about you

F

And you walk away, you just walk away

Dm

But I still make your bed, and you still leave me for dead

Am

Dm

And I would never hate you

F

But you're hard to love

Am

Dm

And I would never leave you

F

But you're hard to love

Am

You're hard to love

Am

You're hard to love

F

You're hard to love

F

You're hard to love

...and the chorus pretty much goes on for the rest of the song.

Thanks
