

**I Wish I Was Back In Liverpool**  
**The Dubliners**

Oh I wish I was back in Liverpool

**D**                    **C**                    **G**                    **D**

Liverpool town where I was born

**A**

Where there ain t no trees, no scented breeze,

**D**

No fields of waving corn

**G**

But there s lots of girls with peroxide curls

**D**

**G**

And the black and tan flows free

**A**

Where there s six in a bed by the old pier head

**D**

**C**

**D**

And it s Liverpool town for me
